The A.L.A.—What It Is and Does

The American Library Association is an organization of libraries, librarians, library trustees, and others interested in library service. When it was founded in 1876 it initiated the popular library movement in America and blazed the trail which has developed librarianship as a profession. It is the chief spokesman for the modern library movement in North America, and has more than 15,000 members distributed in every state and Canadian province and in the major countries of the world. It is affiliated with more than sixty other library associations here and abroad.

Teamwork characterizes the Association's program. More than six hundred members serve on its voluntary boards and committees each year, generously contributing advice, experience, and time in dealing with specific problems of mutual benefit and supplementing the resources of a headquarters staff. The headquarters office at 520 North Michigan Avenue, Chicago, serves as a clearing center for all library interests.

Objectives

Underlying the American Library Association's nearly seventy years of activity has been the philosophy that *libraries exist to make books useful to people.*

Incorporated under the laws of Massachusetts "for the purpose of promoting the library interests throughout the world . . . by disposing the public mind to the founding and improving of libraries," one of the chief continuing objectives of the Association is complete and adequate library coverage for the United States and Canada.

Other objectives are:

To raise standards and promulgate ideals of library service

To assist libraries to operate with the utmost economy and efficiency

To promote studies which will tend to establish on a solid foundation the library's place in the governmental and social structure

To build for the future of library service by drawing into the profession some of the best qualified people

To improve the status of librarianship:

By working to advance salary standards

By maintaining an effective personnel and placement service for employers and employees

By increasing professional knowledge through original research

By promoting adequate facilities for professional education

By working for the establishment of scholarships and fellowships

By providing a plan for retiring annuities for its members.

Publications

The *A.L.A. Bulletin,* issued monthly and sent to every member, carries news, articles, and reports on the Association's activities. Members are kept informed on progress in legislation, certification requirements, new fields of service, the salary and employment situation, efficient techniques, and successful public relations. Annual conferences and business sessions are held for discussions, exchange of views, and decisions on library matters, and the *Proceedings* are published as a special issue of the *A.L.A. Bulletin.* The *Handbook,* another special issue, is an annual list of officers, committees, boards, divisions, round tables, and a directory of A.L.A. members, state associations, extension agencies, and library schools.

Through the *Booklist,* semimonthly, libraries are kept in touch with current books particularly adapted to their needs and, through the quarterly *Subscription Books Bulletin,* with subscription sets currently sold which may or may not be useful and reliable purchases. *College and Research Libraries,* a quarterly journal for college, university, and reference librarians, contains educational and library news, book reviews, articles on research, experimentation, and standards in educational and research fields. The quarterly *Hospital Book Guide,* sponsored by the Hospital Libraries Division of the A.L.A., presents reviews of carefully selected fiction and nonfiction. More than 200 publications of the Association—professional tools for all types of libraries—help librarians in administering their libraries efficiently and economically.

Official Years

The Association operates within the following annual periods: *membership year,* calendar year for the Association and its divisions; *fiscal year,* September 1 to August 31; *conference year,* the

A.L.A. Endowment Funds

GENERAL ENDOWMENT FUND $38,122

A fund which has grown slowly over a period of years. As early as 1886 the question of funding a portion of the Association's receipts was considered. In 1889 the Finance Committee recommended that $500 representing twenty life memberships be invested in some safe interest-bearing securities. This fund was increased to nearly half its present size by an appropriation in 1921 from *Books for Everybody Fund.* All dues from life memberships are credited to this endowment fund and the income may be used for the general activities of the Association.

CARNEGIE CORPORATION ENDOWMENT FUND $1,953,819

Created by the Carnegie Corporation of New York under its Resolution B-367 entitled *Ten-Year Program in Library Service.*

Before the time of the World War, Andrew Carnegie, and later the Carnegie Corporation of New York, spent something over $52,000,000 in public library buildings. But, when building was stopped during the World War to conserve materials, the policy of promoting library buildings was never resumed. Instead, it was decided to help librarians to help themselves to build up library service.

A ten-year period was selected as not too long nor too short in which to demonstrate this type of assistance. One objective of the program was to replace with permanent income the amount of annual grants which the corporation had been making to the A.L.A. so that the Association could plan to better advantage by taking the long view.

One million dollars was granted outright in 1926 by the corporation. But to qualify for any further grant, the Association was required to show a substantial increase in annual income over that of 1925 from sources other than the donor. This was achieved in 1931 mainly through the enrolment of Sustaining and Contributing Members at $100 and $25 a year, plus the increased income from regular membership dues. A second million dollars was then added by the corporation to the fund. The income has been used largely for carrying on some of the activities previously supported by annual grants.

THE CARNEGIE FUND $91,968

This fund of $100,000 was Andrew Carnegie's reply to a request of John Shaw Billings in 1902, when he was President of the A.L.A., for a special fund "the income of which is to be applied to the preparation and publication of such reading lists, indexes and other bibliographical and library aids as will be specially useful in the circulating libraries of this country." President Billings further urged the gift as "of great value in promoting the circulation of the best books among the people, by the instruction which can thus be given continuously." The main part of the income, it was specified, should be used "in employing competent persons to prepare the lists, indexes, et cetera, and to read proofs."

Across the bottom of Dr. Billings' letter, Mr. Carnegie wrote: "R. A. . . . send $100,000 check for this. A.C." It was this fund which brought into existence the *Booklist* which now goes twice a month to approximately 9000 subscribers.

JAMES LYMAN WHITNEY FUND $2861

Mr. Whitney was a charter—as well as a life—member of the A.L.A. with mem-

bership number 59, having joined in 1876. He died September 25, 1910, at the age of 75 at which time he was occupying the post of chief of the Department of Statistics and Manuscripts of the Boston Public Library. From 1882 to 1886 he was treasurer of the A.L.A. and in that capacity he probably learned of the Association's need for funds which may have prompted his bequest.

The accumulated income, which may be used for, but is not limited to, the preparation of bibliographical aids for research workers, was applied in 1940 toward the publication of the *Manual on the Use of State Publications.*

Eunice Rockwood Oberly Memorial Fund $1080

Miss Oberly was librarian of the Bureau of Plant Industry of the United States Department of Agriculture at the time of her sudden death on November 5, 1921. Contributions intended for flowers for her funeral were so many that her friends decided to set aside a portion for a more permanent memorial. Thus, within a few hours of her death, plans were started to perpetuate her memory and at the same time carry forward the work in which she was deeply interested.

Because of her own bibliographical contributions and her appreciation of and belief in the possibilities of service inherent in bibliographical work, the biennial interest on $1000 is awarded as a prize to the compiler of the best bibliography in the field of agriculture or the natural sciences. Eleven awards have been made.

Sarah C. N. Bogle Memorial Fund $5171

Sarah Comly Norris Bogle, assistant secretary of the American Library Association at the time of her death, January 11, 1932, and one of the most widely known and loved A.L.A. members, was acknowledged both here and abroad as one of the leading women librarians in the United States, her chief contributions being in the fields of children's work, international library service, and education for librarianship. From 1924 to 1929 she directed the Paris Library School as a demonstration of what a school of international character would mean to the library profession and she frequently represented the A.L.A. at meetings abroad of international library significance. Because of this interest her friends wished the income from the fund to support an international scholarship, enabling librarians of the United States and Canada to study abroad and foreign librarians to study in this country or Canada.

In December 1941 the Executive Board made the income available for the duration of the war for the training of refugee librarians in the United States and Canada. Three small grants have been awarded, one each in 1942, 1943, and 1944.

Herman H. B. Meyer Memorial Fund $2000

Created to keep in remembrance the services to the library profession rendered by Dr. Meyer, who served as President of the Association in 1924-25. For thirty years he was a member of the staff of the Library of Congress, first as chief of the Order Department, later as chief bibliographer, then completing his career as director of the Legislative Reference Library. He retired in 1935 to devote himself to a monumental bibliography of books published in the United States between 1800 and 1870. Dr. Meyer's interest in the training of young people was expressed in his A.L.A. World War service and for many years he performed quite a different service in assisting with the administration of an appropriation of $100,000 to provide books for the adult blind. He was an ardent collector of fine books.

HERBERT PUTNAM HONOR FUND $2537

Created and presented to the American Library Association by friends and associates of Dr. Herbert Putnam, Librarian of Congress from 1899 to 1939, and twice president of the A.L.A., in 1898 and 1903-04. The fund was established to honor Dr. Putnam by keeping in remembrance his services to his profession, and by inspiring future generations of librarians to emulate the qualities and accomplishments which distinguished his career.

It is the wish of the donors that the income from the fund be used at intervals as a grant-in-aid to an American librarian of outstanding ability, for travel, writing, or other use that might improve his service to the library profession or to society.

THE ASSOCIATION welcomes other gifts either in cash or in the form of endowment and trust funds. Such gifts may be made as an honor or memorial fund in the name of an individual or for special purposes.

Such mail votes shall be conducted under the same requirements as votes at meetings, except that for votes by Council 50 per cent of the voting membership shall constitute a quorum and a three-fourths majority of those voting shall be required to carry.

Article III. Nominations and Elections

Sec. 1. (a) Prior to each annual conference of the Association the Executive Board, upon recommendation of the president-elect, shall appoint a Nominating Committee of five members, no one of whom shall be a member of the board, to nominate candidates for elective positions. One of the class A, B, or C library members of the Association shall be appointed on such committee each year.

(b) Such committee shall nominate candidates for the positions of president-elect, second vice president, and treasurer; for two members of the Executive Board for terms of four years each; for six members of the Council for terms of four years each; and to fill vacancies.

(b) At the midwinter meeting any member of the Council may present a petition signed by not fewer than ten councilors proposing additional nominations. In case nominations for more than two candidates for any office are made by the committee and by petitioners, the Council shall take a written ballot on the names presented. The two names receiving the highest number of votes for any office shall be the official candidates placed on the official ballot.

(c) No person shall be nominated by the committee or by petition, who is not a member of the Association and whose written consent has not been filed with the executive secretary of the Association.

(b) The Nominating Committee shall also include on the official ballot other nominations filed with the executive secretary by petition of any one hundred members of the Association at least three months before the annual conference, provided written consent of these nominees shall have been filed with the executive secretary of the Association.

(c) The professional address of each nominee shall be given on the official ballot.

Sec. 4. (a) The Executive Board shall appoint a Committee on Election which shall have charge of the conduct of the regular election and the counting and tabulation of all votes cast.

(b) At least six weeks prior to the annual conference, the executive secretary shall mail a copy of the ballot to each member of the Association. Ballots shall be marked and returned to the executive secretary in sealed envelopes bearing on the outside the name and address of the member voting, together with the words, "Official Ballot."

Sec. 5. The executive secretary shall check on a list of members the names of all members whose votes were received. The candidate receiving the largest number of votes shall be elected and shall be so reported to the Association by the Committee on Election. In case of a tie vote the successful candidate shall be determined by lot conducted by the Committee on Election.

Article IV. Representation in Council

Sec. 1. (a) Each state, provincial, or regional chapter, and each division, shall elect one councilor for its first 50 A.L.A. members or less and one additional councilor for each 250 A.L.A. members in excess of 50. Chapter representation shall be through state or provincial chapter unless the state or provincial associations in a certain region elect to take representation through a regional chapter and so notify the secretary of the Council. Councilors representing divisions shall be elected by mail vote.

(b) At the first election following adoption of this section all such councilors shall be elected for indeterminate terms. At the first meeting of the Council following such election, the terms of all such councilors shall be fixed by lot by the Council, for one, two, three, and four years, respectively, and the terms of such councilors shall expire in accordance with such determination. Thereafter the successors to all such councilors shall be elected for a full term of four years.

Sec. 2. (a) Twenty-four councilors shall be elected by the Association at large.

(b) At the first election of councilors by the Association following the adoption of this article, such councilors shall be elected for staggered terms; 6 each for one, two, three, and four years respectively. Thereafter such councilors shall be elected for terms of four years.

Sec. 3. Each affiliated organization shall be entitled to one councilor.

Sec. 4. All councilors shall be selected for four-year terms and shall serve until their successors are elected and qualified, except as provided in sections 1 and 2.

Sec. 5. (a) Each councilor elected by a chapter or division shall present his credentials, signed by the president of the chapter or division, to the secretary of the Council in advance of the first meeting he may attend after his election. Each such chapter or division, or its president, may elect or appoint, as the chapter or division may decide, substitutes for its regularly elected councilors if such councilors cannot attend a meeting of the Council.

(b) The president of a chapter or of a division may authorize any elected councilor from his chapter or division, who is unable to attend a meeting of the Council, and has no substitute, to give his proxy to another elected councilor, preferably from the same chapter or division.

Article V. Chapters

Sec. 1. State, provincial, territorial, or regional chapters of the American Library Association may be established by the Council at the written request of ten members of the Association residing in the territory within which the chapter is desired.

A chapter may adopt its own constitution and by-laws, subject to the approval of the Council.

A chapter may admit members who are not members of the Association.

A member of the American Library Association who is also a member of more than one state or territorial chapter shall be accredited only to the chapter in the state in which he resides.

Local chapters may be authorized by the Council, but such chapters shall not have representation in the Council.

A chapter may be dissolved by the Council and shall be dissolved if the chapter becomes inactive or the membership becomes less than the required minimum.

Article VI. Divisions

Sec. 1. On recommendation of the Committee on Divisional Relations the Council may establish divisions under the following conditions:

(a) Any section existing at the present time and consisting of 300 or more members may become a division, or may unite with any other section to become a division, upon approval by the Council of its reorganization as being in conformity with the requirements of this Constitution and by-laws.

(b) By petition of not fewer than 300 members of the Association interested in the same general field of activity, any other group may organize as a division, upon recommendation of the Committee on Divisional Relations, the Executive Board, and upon vote of the Council. Under exceptional circumstances the Council may admit to divisional status, groups having fewer than 300 members.

(c) During the five years beginning with the date of the adoption of this section any separate association, whether or not affiliated with this Association, may organize as a division if 51 per cent of the members of such organization are members of this Association.

(d) The Council by a vote at two consecutive meetings may discontinue a division when in the opinion of the Council the usefulness of that division has ceased.

Sec. 2. (a) The purpose of a division is to promote library service and librarianship within the field of its special interest and to cooperate in the promotion of general and joint enterprises with the Association and all other library groups.

(b) Each division shall be organized under a board of directors with overlapping terms and with authority to make decisions between conferences or meetings of the division, with an executive secretary elected for not less than three years, and with provision for the election of officers and representatives on the Council by mail vote.

Sec. 3. (a) A division may: prescribe any additional qualifications for membership it may desire, including the charging of additional fees; organize sections as it may desire; select its own time and place of meeting; hold closed meetings; retain or adopt a distinctive name; appoint committees to function within the field of its activities; in general carry on activities along the lines of its own interests; and account for its funds solely to its own members.

(b) Subject to the general approval of the divisional board of directors, each section of a division may have the same rights, including the right to nominate its own representatives on committees of the Association.

(c) Each division shall receive 20 per cent of the Association dues paid by each personal member of the division, in accordance with the expressed desire of the member, except that no allotments shall be made for Class A library members or for life members who became such before July 1, 1939, and no allotment shall exceed $2 annually for any personal member.

(d) Allotments of 20 per cent of dues of institutional members eligible for membership in the division shall be made to the division specified by such institutional members, beginning one year after the total receipts from all membership dues exceed total receipts from all dues in 1939 by an amount equal to or greater than the sum of these allotments from institutional dues and any increase in expenditures caused by reorganization.

(e) Members of the Association may become members of more than one division upon payment of an additional fee of 20 per cent of their Association dues (not to exceed $2) for each additional division, such fees to be included in the allotments to the division designated; and upon meeting any other qualifications the division may impose.

(f) For any life member who becomes such after the adoption of this section, the Executive Board shall, during the life time of such member, allot $2 per year to the division expressly designated by such member, which designation may be changed from year to year.

(g) Funds allotted to a division are to be transferred to the treasurer of such division at six-month intervals. A report of the expenditures of allotted funds shall be made by the treasurer of each division to the treasurer of the Association annually.

(h) Upon express designation by the board of directors of a division, allotments payable for the members of a section organized within such a division shall be paid to the treasurer of such section through the treasurer of the division. In such case the treasurer of the section shall report annually through the treasurer of the division to the treasurer of the Association upon the expenditures of such allotted funds.

Sec. 4. (a) Only members of this Association may be members of a division, section, round table, or discussion group except as provided for in Sec. 1 (c) of this article.

(b) No authority is granted any division, section, round table, discussion group, board, or committee, except the Executive Board of the Association, to commit the Association as such by any declaration of policy or to incur expense on behalf of the Association.

(c) Provision shall be made by the Executive Board for sessions of the various divisions, sections, round tables, discussion groups, and other groups at meetings and annual conferences of the Association.

Article VII. Round Tables

Sec. 1. Any present existing section of the

Association, which does not organize as a division or part of a division, shall hereafter be known as a round table.

Sec. 2. A petition for the establishment of a new round table should state clearly the purposes of and the need for the proposed round table. The petition must be signed by not less than 50 members of the Association who are engaged in the work of the proposed round table, and who thereby signify their intention of becoming charter members of such round table. Before such a petition is granted by the Council, it shall be referred to the appropriate committee of the Council, which shall investigate and report to the Council the desirability of such round table. The Council shall have power to discontinue a round table when, in the opinion of the Council, the usefulness of that round table has ceased.

Sec. 3. Round tables may, if they so elect, charge annual dues, limit their own membership, issue publications, organize state and other groups, and in general carry on activities along the line of their own interest, accounting for their own funds solely to their own members.

Sec. 4. Any member of the Association may become a member of any round table by complying with the requirements for membership, and attendance at round table meetings may be limited to members of the round table. No person may vote in any round table unless a member of the same. The members of each round table shall, at its final session of each annual conference, choose officers to serve until the close of the next annual conference.

Article VIII. Publications

Sec. 1. The Executive Board shall administer all publishing activities of the Association. It shall appoint annually an Editorial Committee of five members of the Association, who are not employees thereof, to advise upon material for publication. The members thereof shall serve until their successors are appointed. The Executive Board shall make an annual report to the Association on its publishing activities.

Article IX. Boards and Committees

Sec. 1. There shall be a Committee on Boards and Committees, which shall recommend to the Council the establishment or discontinuance of boards and committees as the needs of the Association may require. The Committee on Boards and Committees shall define the duties of boards and committees subject to the approval of the Council.

Sec. 2. *Boards.* The Council, with the advice of the Committee on Boards and Committees, may establish boards to consider matters of the Association which in the opinion of the Council are of such importance as to demand continuity in office of the members. Members of all boards shall be appointed for overlapping terms of five years each, but may not be reappointed for a second consecutive full term.

Sec. 3. *Standing Committees.* The Council, with the advice of the Committee on Boards and Committees, may establish standing committees to consider matters of the Association which require some continuity of attention and members. Members of all standing committees shall be appointed for overlapping terms of two years each, and may be reappointed for a second or third consecutive term but not for a fourth. On the first appointments following the adoption of this article the Executive Board shall designate the length of the terms of appointments, so that terms of half the members of each committee, as nearly as may be, shall expire each year.

Sec. 4. All other committees authorized by the Council, and interim committees authorized by the Executive Board, are special committees. No special committee not authorized by the Council shall be continued for more than two years. The term of appointment for members of all special committees shall end with the fiscal year, but members may be reappointed.

Sec. 5. Beginning with appointments effective at the expiration of the fiscal year next succeeding that in which this article is adopted, nominations for appointments to boards and standing committees of the Association shall be made as follows:

(a) Nominations of members of boards or committees, which by decision of the Council affect wholly or chiefly the activities of one division, shall be made by the board of directors of the division concerned in accordance with the provisions of this article.

(b) For a board or standing committee which by decision of the Council concerns the activities of two or three divisions, the board of directors of each such division may submit not less than two nominations for each position to which it is entitled.

(c) Such nominations shall be presented to the president-elect not less than sixty days before the annual meeting.

(d) For a board or standing committee which concerns the activities of more than three divisions, the board of directors of each such division may appoint an advisory subcommittee. The appointment of subcommittees and executive groups of boards and committees shall be reported to the Executive Board.

(e) For appointments to a board or standing committee which by decision of the Council concerns the activities of not more than three divisions, the Executive Board may return nominations submitted by the board of directors of the division concerned and request additional nominations.

Sec. 6. (a) Not less than two weeks prior to the annual meeting, the president-elect shall submit to the Executive Board all nominations received by him from the boards of directors of divisions and recommendations received from the Committee on Committee Appointments, together with his own recommendations for appointments to boards and committees. At a meeting prior to the annual meeting of the Association, at which meeting the chairman of the Committee on Committee Appointments shall be invited to be present, the Executive Board shall consider all nominations and recommendations and make its decisions as to appointments.

(b) The Executive Board shall not appoint to any board or standing committee which, by decision of the Council, concerns the activities of not more than three divisions, any member not nominated by the board of directors of the division concerned, unless such board of directors shall fail to submit nominations.

Sec. 7. (a) Each board of the Association, except the Executive Board, shall elect its own chairman. The Executive Board shall designate the chairman of each committee annually.

(b) Any vacancy occurring on a board or committee shall be filled by appointment by the Executive Board until the expiration of the fiscal year in which the vacancy occurs, at which time appointment to fill out the unexpired term shall be made in accordance with the provisions of Sec. 5 of this article.

(c) Any member of a board or committee, except members of the Executive Board, may be removed by a three-fourths vote of the Executive Board upon written recommendation of either the chairman of the board or committee, the chairman of the Committee on Committee Appointments, the board of directors of a division, or the president of the Association.

Sec. 8. Approval in writing by a majority of a board or committee shall have the force of a vote, provided not more than one member expresses dissent. If one member dissents, the vote shall not be effective until such member has had opportunity to communicate his views to the other members, and a second vote has been taken. If two members on the second mail vote dissent, the action shall fail. Each board and/or committee shall have authority to set the time limit during which the votes of its members will be recorded.

Citation of Trustees, Jury on

Created by Council, May 1940, on the recommendation of the Trustees Section as follows:

Whereas, Awards are being made by the American Library Association to librarians for distinguished service, and

Whereas, Without financial reward, some 30,000 library trustees throughout the land give of their time and thought voluntarily to the cause of library service, and many trustees look upon their library work as their opportunity for genuine public service; therefore be it

Resolved, That the Council of the American Library Association adopt a plan to give national recognition to meritorious achievements through citation of outstanding library trustees, under the following conditions:

1. That the plan be adopted for a trial period not to exceed three years, when it is recommended that it again be considered
2. That two library trustees be cited for distinguished service each year
3. That the citations be made annually at a general session of the American Library Association
4. That equal consideration be given to trustees of small and large libraries
5. That the jury may take into consideration state or national library activities as well as service to the local library
6. That citations be limited to trustees in actual service during at least part of the calendar year preceding the conference at which the award is made
7. That recommendations for citations may be submitted by any library board, individual library trustee, state library extension agency, state library association, or state trustee organization, or by the Trustees Division of the American Library Association, and that recommendations must be accompanied by a full record of the candidates' achievements
8. That recommendations must be received by December 1 to be considered for citations at the next annual meeting
9. That the Executive Board of the A.L.A. appoint a special jury on citation of trustees to include three trustees nominated by the Trustees Division, one state library extension worker, and one librarian of a city or county public library
10. That the jury be authorized to make no citations in any given year when, in its opinion, no sufficiently outstanding achievement is brought to its attention; or that it be authorized to make only one citation.

(See pages H-62-63)

Through the freezing of boards and committees due to war conditions the trial period was extended to the fourth year. Upon recommendation of the Jury on Citation of Trustees, the Council at its meeting, Oct. 13, 1944, unanimously voted to continue to give annual citations to two trustees according to the original conditions above.

DIVISION OF LIBRARIES FOR CHILDREN AND YOUNG PEOPLE

The Division of Libraries for Children and Young People was organized and adopted its constitution and by-laws in June 1941. On June 24, 1941, the division was approved by A.L.A. Council. The division is made up of the American Association of School Librarians (formerly the School Libraries Section which had its first meeting in 1915) and the Public Library Section for Work with Children and Young People, organized in 1941. The latter section includes two groups: the Children's Library Association (formerly the Section for Library Work with Children, which had its first meeting in 1901) and the Young People's Reading Round Table which first met in 1930.

The object of the division is to promote librarianship and library service for children and young people in all types of libraries and to cooperate with library and educational groups in the promotion of enterprises affecting the welfare of youth.

One general and one business meeting are held during the annual conference and both program and business meetings are held by the sections and constituent groups.

The division issues a quarterly bulletin, *Top of the News*. Subscription rate to nondivision members, 50¢ (send to division treasurer).

Membership: 2401 (Aug. 31, 1945). Any member of the American Library Association may become a member of the Division of Libraries for Children and Young People by notifying A.L.A. at the time he pays his dues.

Dues: The division receives 20 per cent of the dues paid to the A.L.A. by each member (other than a Class A member) who specifies this division at the time of paying his dues. If this division is a member's second division he may secure membership by adding 20 per cent to his A.L.A. dues (not to exceed $2) which will be paid to the Division of Libraries for Children and Young People by the A.L.A.

Class A members may join the division by designating it as their choice at the time of payment of A.L.A. dues without allotment from their A.L.A. dues and without payment of other dues.

A member of the American Association of School Librarians, the Public Library Section for Work with Children and Young People, the Children's Library Association, or the Young People's Reading Round Table may join any other group in the division upon payment annually of a special membership fee of twenty-five cents to the treasurer of each additional group joined.

A.L.A. life members before 1940 may request affiliation with one division group without fee; membership in additional division groups is twenty-five cents for each. The division treasurer sends this information in January to life members already division members.

It is also cooperating through its joint committee with the Association of American Law Schools in the study of library standards, in the inspections of law school libraries, interpretation of law school library requirements, and the compilation of statistics. In an effort to raise the standards for law librarians and to make possible an improved library service in the law schools, its Committee on Cooperation with the Association of American Law Schools recommended that each member school be required to have a librarian whose major interest is the library itself and whose principal activities are devoted to the management and operation of a law library. (See *Law Library Journal* 29:138-41.) This recommendation of the American Association of Law Libraries was adopted by the Association of American Law Schools at the annual meeting held in Chicago, December 1937. A.L.A. Books and Pamphlets December 1945

A.L.A. publishing is a non-profit, cooperative enterprise conducted for libraries and in the interest of library progress and education generally. Many of the 250 titles in print—listed in this catalog—are of interest not only to the librarian but to the general reader, the teacher, and the student.

The Editorial Committee, which is responsible for the selection and approval of manuscripts, studies continuously the changing needs of the profession and attempts to bring into print books and pamphlets to meet those needs. Many committees, boards, and individuals are consulted and proposed publications are submitted to them for study and recommendation.

When manuscripts materialize, they are carefully examined by specialists in the fields with which they deal and are often revised before accepted for publication. The Executive Board shares with the Editorial Committee this final responsibility.

To produce a reasonably steady output which makes for economy in production and handling, a great many proposed publications must necessarily be under way—more than can possibly be brought to completion within any one-year period. There are now perhaps a hundred in various stages of planning and preparation.

A.L.A. publications are priced to cover only manufacturing and distribution costs and, for that reason, no discounts are possible except on *Standing Orders*. Generally, because of limited demand, editions are small.

All publications are in paper covers unless other binding is designated. Accounts are opened only with institutions and with individuals who are members of the America Library Association. Postage and express are prepaid on all shipments within the United States. Orders for less than 50 cents should be accompanied by remittance; stamps acceptable.

Cataloging and Classification

Catalog Rules; Author and Title Entries. Compiled by committees of A.L.A. and (British) Library Association. American ed. 1908. 88p. Cloth, $1.25.

A.L.A. Catalog Rules (preliminary American 2d ed.). A.L.A. Catalog Code Revision Committee, Rudolph H. Gjelsness, chairman. 1941. 340p. $6.

Reprinting in a limited edition was authorized by the Executive Board at its October 1944 meeting "in order that the widespread and insistent demand for copies may be met." Purchasers are reminded that this is not a revision and that the reasons for urging care and discrimination in the use of this edition still obtain. As it is undergoing revision it cannot be looked upon as a standard working manual despite its acknowledged reference value. It will certainly be a year, maybe two years, before a final edition of the "Code" can be issued. It is yet too early to know the extent to which it will differ from the preliminary edition.

Introduction to Cataloging and the Classification of Books. Margaret Mann. 2d ed. 1943. 276p. Illus. Cloth, $3.25.

Not a manual of cataloging, but an approach based on present practice. Tells what the catalog is, where it leads, what service it can give. Examines the underlying principles governing the systematic arrangement of books on the shelves. Emphasizes the Dewey decimal system, but devotes an entire chapter to the application of the Cutter Expansive and Library of Congress systems. Discusses at length the whole cataloging process, the treatment of added entries and editions, continuations, transfers and withdrawals. Much valuable information on adaptation of the L.C. unit card, and use of the new H. W. Wilson cards for small public and school libraries, and on duplicating processes and microfilm. Practical questions and reading references end each chapter. Useful to students, instructors, catalog department staffs, new assistants, executives.

Simple Library Cataloging. Susan G. Akers. 3d ed. 1944. 197p. Illus. Cloth, $2.25.

Completely new edition, and an adequate answer to the small library's need for a simplified cataloging tool. Harmonizes with the *Preliminary American Second Edition of A.L.A. Catalog Rules*. Takes into account the availability of Wilson cards, and the suggestions for revision from users of earlier editions. Bibliographies are entirely revised.

Discusses uses, form, subject headings, printed cards, codes, equipment, organization.

Notes Used on Catalog Cards. Olive Swain. 1940. 110p. Planographed. $1.25.

A.L.A. Rules for Filing Catalog Cards. A System of Rules for Arranging Cards in a Dictionary Catalog. Subcommittee of A.L.A. Editorial Committee, Sophie K. Hiss, chairman. 1942. 109p. Cloth, $2.

Five years were required to complete this important project undertaken by a special committee with the assistance of many catalogers. Supplies more examples and more alternatives than are provided in the Pittsburgh, Cleveland, Cincinnati and other codes. Alternative rules, mostly in the appendix, are admitted only where the needs of different types of libraries or of special collections must be recognized. To call attention to rules most useful to small libraries, and to those wishing to do relatively simple filing, an appendix provides a list of the rules and a comprehensive example to serve as a simple basic code.

A Library Classification for Public Administration Materials. Sophia Hall Glidden, Dorothy Marchus. 1942. 512p. Cloth, $6.

The decimal type of notation on which the

scheme is built is sufficiently flexible to provide both for the utmost expansion where necessary and for compactness when expansion is not required by the size or subject emphasis of the individual collection. This work will be of greatest value to most library catalogs from the subject heading list which is an integral part of the scheme. Each right-hand page is blank for additional notes. Published by A.L.A. and Public Administration Service. Orders should be sent to the Public Administration Service, 1313 E. 60th St., Chicago 37.

Some Practical Problems in Cataloging. Harriet D. MacPherson. 1936. 131p. Cloth, $1.50.
Deals in detail with advanced aspects of cataloging policy and routines treated briefly elsewhere.

Classification: An Introductory Manual. Margaret Herdman. 1934. 24p. 35c; 25 copies, $5.

EXPERIMENTING TOGETHER SERIES

Pictures school classrooms and libraries in cooperative action. Specific situations and projects are described; wealth of details given offer opportunities for adaptation to varying situations. The series is significant in that it shows how cooperative planning and procedure actually attain satisfying results. Four titles have appeared:

The Librarian and the Teacher of Home Economics. See page H-397.

The Librarian and the Teacher of Music. Esther L. Bohman and Josephine Dillon. 1942. 64p. 75c.
Latest title in the series describes, at the elementary school level, music experiences in which pupils, teacher, and librarian work together on common ground. Mount Auburn School, Cleveland, is the locale of the successful experiment. Includes a selected list of books useful in music-library activities.

The Librarian and the Teacher of Science. Caroline R. Siebens and Warren L. Bartlett. 1942. 72p. 75c.
A variety of projects and activities relate science to everyday experience and arouse genuine interest on the part of the students. Experiments are evaluated as well as described. Includes a 25-page classified list of non-textbook reading material for high school science pupils.

The Librarian and the Teacher of English. Frieda M. Heller and Lou L. La Brant. 1938. 84p. 75c.

Subject Index to Books for Primary Grades. Eloise Rue. 1943. 271p. $2.50.
Indexes more than 500 commonly used primary books and readers through third grade. Of these about half are of the non-reader, or trade book, type. 7700 entries; 1500 subjects. Because many standard older readers are not indexed in this edition, it replaces the earlier *Subject Index to Readers* only in part. "Should be available in every elementary school library, children's room, or library used by primary grade children or workers with children of this age."

Subject Index to Readers. Eloise Rue. 1938. 192p. Cloth, 75c. (was $1.80.)
Nearly 4000 references to 283 commonly used modern readers (pre-primer through third grade) indexed under 1000 subjects. Although the author's new *Subject Index to Books for Primary Grades* covers the same field, it indexes only about half the books analyzed in this title. This first edition, therefore, is still useful for locating subject material in readers which are still found in many schools and libraries.

Subject Index to Books for Intermediate Grades. Eloise Rue. 1940. 560p. Cloth, $4. (With *Supplement*—both volumes for $5.)

Gives a subject approach to material for grades 4-6. Prepared after thorough study of units actually taught in schools.
